Important Transportation Information

PLEASE contact your students case manager if there will be a change of transportation on any given day.

Car Riders

You may drop off/pick up in the SPED circle drive close to M building.

Earliest drop off time is 6:55 am. Students are tardy if dropped off after 7:15. Do not drop off your student until a teacher or para-professional greets you.

Earliest pick up time is 1:55 pm. Students need to be picked up no later than 2:15. Any student still on campus at 2:30 will be taken to the office for pick up.

SPED Bus Riders

Transportation requests that students be ready for pickup 10 minutes before your scheduled pick up time.

Keep in mind an adult must be present in order for students to be dropped off in the afternoon.

Call transportation at 901-743-1093, as well as letting your student's case manager know, regarding any bus issues.

Regular Bus Riders

Students will be dismissed 2 minutes before the bell to go to their bus.

Make sure students know their bus number. We have numerous buses that are late each day and may be called to the front circle drive to load. Students need to know what bus they ride in order to follow special instructions.

Siblings are often allowed, at the discretion of their 7th period teacher, to leave a few minutes early to pick up students from our room to help get to the bus. If this is necessary, please let us know.
